Structure of the International Association of NLP-Institutes (IN)

The IN was founded in 2001 with its sister association ICI for supporting excellent ethics and quality standards in NLP (Neuro Linguistic Programming). It has a Board of Directors, Presidents in Countries with many members, Ambassadors, Commissions, highly qualified and seal entitled “NLP Master Trainer, IN”, cooperation with accredited Universities, IN & ICI World Congresses, and qualified professional members in more than 57 countries worldwide.

The Vision

The IN stands for using NLP:

1. for contributing to a peaceful world where everybody wants to belong to
2. for excellent communication inside people in the sense of inner peace of mind, self actualisation and living one's potential
3. for excellent communication between people for mutual understanding and highest results in reaching goals that are good for everybody on planet earth

The Mission

The IN stands:

1. for offering an association where members can learn from each other (best practice)
2. for bridging effective practical application of NLP with academic education, theory and research
3. for providing people who search for a NLP Training or NLP professionals with relevant info
4. for excellent ethics and quality standards in NLP
5. for organizing exciting NLP & Coaching World Congresses for excellent communication and personal growth: www.IN-ICI.net/congress.php
